

MUFTI DAY
FRIDAY 8 AUGUST 2025

**PLEASE BRING A GOLD COIN TO SUPPORT OUR
DIOCESAN HOMELESSNESS SERVICES**

Dom's Place in Hornsby and Mary Mac's Place in Woy Woy support men, women and families experiencing homelessness or social isolation. These hubs are operated by CatholicCare, our dedicated Diocesan social services agency.

They're more than just a place to get a meal – they offer connection, care and a sense of belonging without judgement. People can access a safe space to shower, wash clothes, and get help connecting with services like Legal Aid, counselling, health care and housing support. Food hampers are also available for those doing it tough.

Each year, 68,000 people across NSW reach out to specialist homelessness services – but sadly, demand far outweighs available resources. Rising living costs are pushing even more people to the edge.

Your donations provide a lifeline – they keep our doors open, our showers running and hot meals on the table for people who need them most.

Thank you
