80'S PARTY!

How about we head back in time and live in an 80's world! The 1980's were ruled by Michael Jackson (the King of Pop) and Madonna (the Queen of Pop). Action heroes were trendy and block buster movies were everywhere! Big hair, mullets, and bold choices, you'll need to come dressed to impress. Think Neon colors, shoulder pads, leg warmers, The Rubik's Cube and so much more to explore.
